

Name: Mohamed ELRAFIHI

1. How often do you ride a bicycle?

Occasionally

2. Are you a member of any cycling organisations?

No Response

3. Which of the following are you familiar with?

Merri Creek Path

4. What is your perception of bicycle safety in Moreland?

Not very safe I think we can make things better on Sydney Rd for Cyclists

5. What is your perception of bicycle riders in Moreland?

Don't notice too many

6. Road trauma, environmental sustainability, greenhouse emissions and public health & obesity are important public policy issues which are influenced by decisions you will make as a Councillor. Do you see bicycle riding helping solve any of these problems?

Significant part of the solution They help cut emissions, improve public health and people should be encouraged more to use them

7. What is the most appropriate traffic speed for our local streets to ensure safety for all users?

40kmh

8. The Moreland Bicycle Strategy states that "To deliver these projects Council will need to increase funding commitments beyond historic levels [\$5 per resident] and commit to increasing bicycle expenditure in response to growth in cyclist numbers, population and inflation." http://www.moreland.vic.gov.au/mccwr/publications/policies-strategies-plans/mcc_bikestrategy2011-2021.pdf In your view is that figure

About right

9. What is the role of Council and Councillor decisions in promoting bicycling in Moreland?

Major - cycling is a local issue with significant local benefits

I think Moreland City is becoming more 'Green' so I think in the years to come this will be a major issue for local residents as it is now.

10. Where do you see the role of cycling in Moreland in four years and what would you hope your contribution to that would be? Thanks for your participation!

I think Cycling in Moreland will increase. People are using cars less and opting for public transport or cycling to work. So I think in 4 years it will become more of an issue. I also think we need to extend the bike path from box forest road to at least mahoneys Rd.
